TERRAVINO OBJECTIVES AND REGULATIONS

TerraVino - MIWSC based in Tel Aviv, Israel, with the auspice of the World Association of Journalists and Writers Wines & Liquors (WAWWJ), organizes the Mediterranean International Wine and Spirit Challenge (MIWSC) - TerraVino.

The Mediterranean International Wine and Spirit Challenge (MIWSC) - TerraVino aims to judge the quality of wines, liquors and distilled beverages and spirits, highlighting those which have attained the highest level.

The Mediterranean International Wine and Spirit Challenge (MIWSC) - TerraVino is held according to the following details and regulations.

Participants

Who can attend? Wineries, vineyards, of all types, winemakers pickers, wine cooperatives, cooperative unions, producer groups, producers traders, importers, wine societies, and so on, worldwide.

Admission

The conditions of admission to the The Mediterranean International Wine and Spirit Challenge (MIWSC) - TerraVino are:

• WINE AND distilled beverages and spirits derived from grapes

1. This Competition is open to all wines that meet the definition of the international code of oenological practices of the Organization Internationale de la Vigne et du Vin (OIV) and the distilled beverages and spirits, with the exception of aromatized wines. All products must indicate the country of origin where the grapes have been harvested and vinified.

2. Wines that do not respect the provisions relating to the origin and provenance will not be accepted

3. The competing wine samples must be produced with a minimum of 1,000 liters. In the case of a truly limited production and with justification, smaller amounts may be accepted (if greater than 100 liters). The wines must be commercially packed. Containers must present the indication of origin or provenance.

The containers may be bottles, tetra pack or similar bag in box or otherwise.

SAMPLES

Start of Registration and Reception of Samples: November 01st 2026

- Wines: 4 (four) Bottles of 0.75 lt. per sample.
